THE PALACE,

MYSORE.

10th. 5. 21.

Dear Knight

I am so glad that
Her Majesty is coming
up north to see Lord Willingdon.
He called to see me yesterday
and he had heard from H.M.
He is going to see me on
Thursday the 12th and bear
all the story of the Surplus
Revenues and the Subsidy. I shall
also give him any relevant
papers that he would like to have.
Long weather here two days of
